United Way Program Spotlight: Mobile Community Action

About Mobile Community Action (MCA): MCA changes people's lives, embodies the spirit of hope, improves communities, and makes Southwest Alabama a better place to live. They care about the entire community, and they are dedicated to helping people help themselves and each other. MCA strives to empower the low income population to achieve maximum potential through advocacy, education, training, employment, and emergency support services.

MCA continues to make impact on our community by serving more than 38,000 low-income individuals and families throughout Mobile, Washington, and Choctaw Counties. Their programs and services are developed to educate children; feed the hungry; offer assistance to the homeless; provide heating and cooling assistance to those most in need; promote adult literacy; provide home repairs to reduce energy bills of low-income families, and much more. For more information, visit www.mcamobile.org.

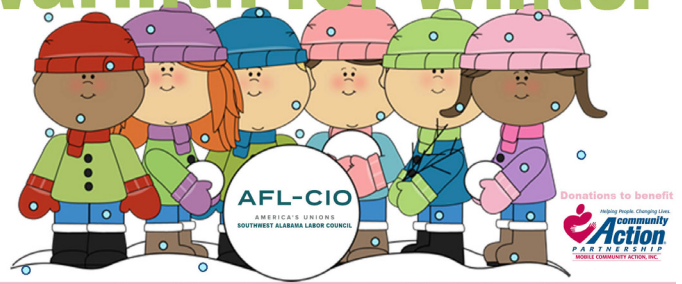

SWALC Holiday Project

This year the Southwest Alabama Labor Council is collecting coats and nonperishable food for families in need. Affiliate members are encouraged to purchase new coats, jackets, hats, gloves, and mittens in a variety of children's sizes as well as nonperishable food items to assist families this holiday season. All donations will be given to Mobile Community Action.

After shopping, deliver your donations to your union hall or the United Way of Southwest Alabama (218 St. Francis Street, 36602) between now and December 2nd during regular business hours.
